## UNGER LIBRARY REPORT – APRIL 2024 DATA

### LIBRARY HOURS

MTWF: 9:00 AM-6:00 PM | TH: 9:00 AM-8:00 PM | SAT: 9:00 AM – 5:00 PM

The Library will be doing a purge of patron records that expired during or prior to 2018. The number comes to about 2,000 so you will see a decrease in the number of patrons in the next report. The State Library requires libraries to purge patron files at least every three years. We find it easier to purge once a year those cards that expired in the year five years prior, which in this case is 2018. Those patrons still owing books or replacement fees will be retained.

The shelving installation was completed during the first week of April. We are continuing the reclassification project and will eventually look at the arrangement of the adult collections. We have, however, established a separate biography section and it will continue to grow as we reclassify the last of the 900s. We are also continuing to reclassify the children's sections of the library, and have nearly completed the Juvenile fiction section and are working on the Juvenile nonfiction section.

The use of Mango Languages continues to increase. We are now looking at a companion database called PIM which is for younger children. This would be helpful to all children, but especially for those who are being home-schooled. If further analysis shows that it meets needs we will focus on adding it to the Library databases in the 2026 fiscal year.

We are officially kicking off our 1000 Books Before Kindergarten program on June 1<sup>st</sup>. The program, while sponsored by us, will mostly involve parents/caregivers in their child's literacy development with them reading at least one book per night to them. There is no set list of titles, although we are giving suggestions to get them started. The emphasis is reading to them. They will keep a log of every 100 books that are read, and we will give out prizes for those milestones. Books read to them during Preschool Story Time will also count.

The semi-annual blood drive will be held On May 20-21, 2024.

Summer Reading Program packets will be ready for distribution on Wednesday, May 22, 2024.
