Landfill operations were of precedence in July as the Lubbock landfill had a failure in operations and we received extra waste from July 7-July 30th. Our daily intake average for the month of July has historically been 126 tons per day; this month we averaged 443 tons per day.

The landfill crew did a great job stepping up to the challenge.

We also had a transition of a route driver on one of the residential routes. The new driver is learning the routes, and we should be very close to back on a regular schedule the first full week in August.

UNGER LIBRARY REPORT – JULY 2025 DATA

LIBRARY HOURS

MTWF: 9:00 AM-6:00 PM | TH: 9:00 AM-8:00 PM | SAT: 10:00 AM – 2:00 PM

The last sessions of the Summer Reading program were held the first two Tuesdays in July, including one program at the Fair Theatre. The awards program was held on August 2, though it was a small crowd. Many people were on last vacations as the new school year looms.

However, this year we noticed some surprising changes in our awards. For overall top readers we can't simply look at minutes, so we take the minimum number of minutes their reading group was asked to read, then did a percentage based on that and their minutes read since we were comparing ages K-Adult (for the winners in each group we could of course do a straight comparison in minutes). Our top reader this year was Giancarlo Bautista who read 1,283% of 675 minutes for the Early Reader category (his actual minutes were 8,659. In second place was Anahi Cenicerros, who read 656% of 1,350 minutes for the Middle Readers (her minute totals were 8,856). In fact, the Bautista-Cenicerros family had quite a few first and second places in all of the groups but one.

The winner of each group was:

- Vanessa Cenicerros – Adult Group – 10,128 minutes
- Bethany Wells – High School – 4,916 minutes
- Aalyiah Bautista – Junior High – 8,808 minutes
- Anahi Cenicerros – Middle Reader – 8,856 minutes
- Giancarlo Bautista – Early Reader – 8,659 minutes

Preschoolers, because they are not independent readers, do not win awards. However, many of our preschoolers are part of the 1000 Books Before Kindergarten program and we had three sisters who passed that milestone and received a certificate. They are Sophia, Gabriella, and Amelia Gallardo. We want to congratulate them (and their parents who read those 1000 books to them!)

Next year's theme is "Unearth a Story" – Dinosaurs / Archaeology / Paleontology. It should be a lot of fun with those subject areas. We have already booked Andy Mason for an evening show at the Fair Theatre and will probably re-book Kyle Grove. We are looking for anyone who might be interested in doing a program in the areas of dinosaurs, archaeology, or paleontology, so if you know of anyone, please let us know.

Now that the SRP is over with, we are just "relaxing" through the end of August. After Labor Day we will resume our regular schedule by going back to 8-hour Saturdays and resuming the preschool story time.

Future programming – still waiting on confirmation from Reagan Doyle, but we will probably do the Cat in the Hat program in October. We are also looking at the possibility of bringing in an author who specializes in writing workshops – we are waiting to find out pricing at this point.

We expect to do the semi-annual blood drive as usual the Monday and Tuesday of Thanksgiving week. Exact times have not been determined yet.
