REGULAR LIBRARY HOURS

MWF 9:00 AM TO 6:00 PM TT 9:00 AM TO 8:00 PM SAT: 9:00 AM TO 5:00 PM

SUN: CLOSED

The Library Board meeting for February was postponed due to inclement weather and was rescheduled for March 3, 2020 at 4:00 p.m. Because of overcrowding the library staff has been weeding books from the non-fiction collection. These are mostly books that will have outdated information or which have been superseded by newer editions. Books appearing on core collection lists have not been withdrawn. Some books are retained due to subject matter and the fact that age is not a factor in their retention (i.e., books in history, literature, religion/philosophy, and other subjects in the humanities). After completion of the non-fiction collection we will work on the fiction collections in all areas. We will mainly look at usage of these titles and whether or not they appear on award, core collection, and similar lists. After books have been appraised we will look at audiobooks and DVDs.

Nearly all the young adult books have been identified and we will begin reclassifying these titles to the YA collection classification scheme. A space has been identified on the northern mezzanine where this new collection will reside. We will be looking at purchasing some appropriate furnishings so that the teens will have a comfortable and aesthetically pleasing space to read and study.
