EMS Runs

	August 2019	August 2020
Total EMS Responses	237	277
Patients Transported	166	218
No Transports	71	59
Residents	218	211
Non-residents	19	59
False Calls/Cancelled	10	13

COVID-19 calls are up and PFD transported a significant number of positive patients during the month of August. This number alone accounted for nearly all of our call volume increases over 2019, or approximately a 31% increase in patient transports. We increased our mandatory PPE usage, to include increasing our overall preparedness posture, increasing our expenditures on PPE and decontamination supply expenses. We have not had a positive employee since early July so far.

Fire Runs

	August 2019	August 2020
Total Responses	215	256
Structure Fires	7	2
Vehicle Fires	4	0
Trash / Rubbish Fires/ Grass	4	4
EMS Backup / Medical Responses	154	145
Hazardous conditions	6	56
False Alarms	7	9
Misc. Responses	33	35
Mutual Aid	0	0

Our fire units have increased their overall call volume as well. You will see this reflected in "Hazardous Conditions". This reflects the response of a fire apparatus to the hospital to thoroughly decontaminate the EMS equipment and medic unit itself while our medics are turning a patient over to the hospital staff. These efforts, we believe, have been instrumental in reducing our cross contamination and employee exposures. This also has increased our PPE and decontamination supply usage, and will be continued so long as we have patients with COVID-19 like signs or symptoms out of an abundance of caution.

Totals	80	132	26

We are adding back in the efforts of our Fire Prevention efforts for this report. This includes our man hours spent in fire inspections, fire investigations and code/plan reviews. This is a substantially important effort of the fire department to ensure fire code compliance, in construction practices as well as operating businesses, and in fire investigations. Fire Marshal Philip Mize, is certified as a Master Fire Inspector and Master Arson Investigator. Fire Chief Tim Gibson is a Master Fire Inspector and Master Fire Investigator. Captain Bobby Gipson is an Intermediate Fire Investigator. Captain David Sells is a Master Fire Inspector. Captain Harrison Hart is an Intermediate Fire Inspector. Equipment Operator Chris Chandler is an Intermediate Fire Inspector. E/O Chandler is our newest inspector and is working with Fire Marshal Mize to obtain on-the-job-training to learn the roles, responsibilities and duties of the fire inspector. August has included many hours in the review of construction projects, remodel projects and new business code review/inspections. August also included the fire prevention education presentation for the RA (room advisors) for the dorms at Wayland Baptist University.

During the Month of June the landfill set out 43 loan a tubs. Residential trash collection went from a 3 route system to a 2 route system. We experienced a increase in calls about service the first week, however that dropped off significantly the second week of implementation. The program has been successful, weekly trash routes are finished by around 1 pm on Thursday and we have a driver freed up to concentrate on emptying the blue recycle boxes more frequently. The tub grinder also returned to the landfill after a long hiatus and crews have been busy grinding brush in to mulch. As fall approaches we like to remind citizens that we offer free mulch and firewood out of our brush recycling program.

Texas Downtown Association President's Awards 104

Two Plainview businesses were chosen as Texas Downtown Association award finalists: The Broadway Brew was nominated as a finalist for Best Downtown Business under 50,000 population and Conrad Lofts was nominated as a finalist for *Best Renovation/ Rehabilitation/Restoration* under 50,000 population.

One hundred and four entries were submitted in eleven different categories from communities across the state. Due to the number of entries, the entries were divided up into two categories – Design and Achievement – with separate judging panels for each group.

Winners will be announced virtually, on the TDA Facebook page, in a series of Award Announcement Videos as follows:

Design Awards: Tuesday, October 27th at noon

Achievement Awards: Wednesday, October 28th at noon

People Specialty (Individual Awards): October 29th at noon

Unger Library Report August 2020 Data

M-F 9:00 AM TO 6:00 PM SAT—SUN: CLOSED

COVID-19 policies remain in effect. The number of library visitors continues to slowly increase, along with the book check-outs. Curbside delivery is still in effect but is not being used as often.

The YA Collection continues to grow as we identify materials to move to that section, as well as adding to the collection through new purchases. We are tentatively looking to an official opening ceremony in early 2021, although the collection can be used at this time.

A section of taller shelving was approved for purchase. This will provide 24 additional shelves giving us more room for our adult collection and thus relieve the overcrowding. We plan to purchase an additional range of shelving for the next few years until all the existing shelves have been replaced with the taller shelves.

Weeding continues throughout the collection. We continued weeding outdated reference collections. Some are being replaced with superseded editions, and many are available electronically – or have a comparable title available electronically.

The Friends plan on a series of mini-book sales beginning in mid-September and continuing through mid-October. COVID-19 policies will be in place.
