These numbers represent a 20.5% increase in EMS call volume over September 2019 and an increase of 17.8% in transports from those calls. The uptick in "Hazardous Conditions" calls for our fire crews is directly related to the COVID related responses. We send a fire engine with decontamination equipment and supplies to the hospital to clean and decon that unit after they take the patient into the hospital. This ensures the truck is ready to return to service after the crews clean the stretcher and, if needed, themselves.

During September, business was as usual for the landfill. Crews worked to control dust on the roadways, and we ground up trees creating lots of mulch that will be available free to citizens who want to come to the landfill to get it. This mulch is great for the fall flowerbeds as people begin to winterize their plants.

# Unger Library Report September 2020 Data

## LIBRARY HOURS

M-F : 9:00 AM TO 6:00 PM | SAT: 9:00 AM TO 5:00 PM | SUN : CLOSED

COVID-19 policies remain in effect. The number of library visitors continues to slowly increase, along with the book check-outs. Curbside delivery continues to decline at this time. However, regular hours have resumed and additional time slots have been added for computer appointments. Use is, however, still limited to three people at a time and for only one hour at a time. We are looking at possibly adding plexiglass partitions to the computer tables and the study tables to increase the number of accessible spots.

Our new, taller shelving arrived just before the end of the month. We hope to have them installed by mid-October. The Friends of the Unger Memorial Library have also contributed money so we can purchase another section that will hopefully be installed by mid-November. That will mean 48 more shelves than we have which should help ease the overcrowding in the fiction section.

The Friends mini-book sales began on September 16, 2020 and have run on three consecutive Wednesdays from 10:00 a.m. until 3:00 p.m. and will be held the first two Wednesdays in October. COVID-19 policies will be in place.
