Our October 2020 Covid-19 transports increased again this month. Most of the responses noted as Hazardous Condition were because of Covid-19 transports where an engine was required to respond for decontamination of the EMS and fire units. Trash, rubbish and grass fires are considerably up from last year. This is largely attributed to the dryer conditions this year. Most of the grass fires we responded to this month were outside the city limits. Because of problems with access to EMS run data, no current data was available for October.

October was a great month at the landfill. The Keep Plainview Beautiful organization was officially recognized as a Keep America Beautiful affiliate. This will help landfill staff and Keep Plainview Beautiful have access to more educational tools to promote recycling. The recycle center also hosted a group from the Wayland Chapel's "Shine the light" project. These students spent a few hours at the recycle center learning what goes into sorting and baling materials to be sold into the recycling markets.

Unger Library Report October 2020 Data

LIBRARY HOURS

M-F : 9:00 AM TO 6:00 PM | SAT: 9:00 AM TO 5:00 PM | SUN : CLOSED

The Library had to go to downsized hours due to two staff members affected by COVID-19. One staff member was positive while the other staff member had to quarantine because a family member was positive. For three weeks, from October 19-November 7 the library hours were Monday-Wednesday, 9:00 am – 6:00 pm. Thursdays the library opened at 11:00 am and closed at 8:00 pm. Then on Friday the Library was open 9:00 am – 1:00 pm and Saturday from 11:00 am – 3:00 pm. This partially explains the reduction in the number of library visitors and computer users in October.

The two ranges of taller shelves have arrived and one range is already up although some minor adjustments need to be done before books can be placed on the shelves. Unfortunately, due to another positive COVID diagnosis this is delayed for several weeks. Thanks to the City and the Friends of the Library for each helping the Library purchase these units. This will add 48 more shelves which will help with the overcrowding on the shelves. We look forward to adding more units over the next few years which will continue to increase our shelf space.
