December was a busy time as people made a lot of trash in preparation for the holidays. In the first half of the month, we saw an uptick in Commercial waste, and then towards the last half, there was an uptick in Residential waste.

Over the holiday weeks, we ran extra trucks to ensure regular trash service. The landfill also received a delivery of a new tire cutting machine.

LIBRARY HOURS

M-F : 9:00 AM TO 6:00 PM | SAT: 11:00 AM TO 3:00 PM | SUN : CLOSED

The Library continues to be closed to the public, along with the other City offices. Although curbside service did not end with the reopening in June, it has again become the exclusive method of obtaining library materials by our patrons.

We were informed by the State Library that the expectations for the annual report will be lowered for all public libraries in Texas that have been affected by COVID – which, as far as we know, is every public library in Texas.

The Library did have their annual “12 Days of Christmas” story time event on December 9, 2020 – but this time it was virtual. A live reading broadcast on Facebook at 10:00 a.m. had positive remarks – and patrons unable to watch live were able to watch the recording. We appreciate all the publishing companies who have given blanket licensing agreements through March and June of 2021 to make it easy for libraries to broadcast over the Internet. Now that we have had one story time online, we hope to do more beginning in February.
