We are thankful for the much-needed rain!! During the last two weeks of May, the landfill received 6 inches of rain. Landfill crews did a great job of keeping the landfill open during the storms, and even though our residential routes were a bit off schedule, we still completed weekly pickups each week.

The recycling center is operating at greater capacity again. We had 9 shred appointments in May, along with several drop-in appointments. We shipped a load of shred paper and are preparing to ship a load of cardboard depending upon the markets.

## LIBRARY HOURS

MWF: 9:00 AM-6:00 PM | TT: 9:00 AM-8:00 PM | SAT: 9:00 AM – 5:00 PM

During the month of May the Friends of the Unger Memorial Library held a weekly book sale on Thursdays from Noon until 6 PM. This was again due to COVID restrictions. The hope is that regular book sales will resume in the fall.

The Library Board was meant to meet on May 10<sup>th</sup> but was postponed due to lack of quorum. The Library also discovered that Board member Leticia Gaucin passed away in May.

The semi-annual blood drive was held the Tuesday and Wednesday prior to Memorial Day weekend.

By the end of May over 90 had registered for the Summer Reading Program, with ages ranging from preschool to adult. The library continued to add EbscoHost E-Book cataloging records to the system. This accounts for the large increase in the total number of materials/resources.
