We had 2 COVID-19 clinics @ WBU, approximately 30 doses administered with both clinics combined. COVID-19 vaccines were administered at the health department following WBU clinics in order to administer all remaining doses.

We continue to offer the COVID-19 vaccine here at the health department on scheduled Tuesdays. In order to avoid vaccine loss, we must make sure that we have enough requests for it once we open a vial. A vial contains 10 doses and those doses must be administered within six hours of opening a vial. All doses not administered within the allotted time must be wasted (thrown out).

During the week we take names of callers interested in receiving the vaccine and once we have enough individuals to open a vial we call them and have them come in to receive the vaccine.

We also administered COVID-19 vaccines at the Juneteenth celebration.

LIBRARY SUMMER HOURS

MTWF: 9:00 AM-6:00 PM | TH: 9:00 AM-8:00 PM | SAT: 9:00 AM – 1:00 PM

Over 110 signed up for the Summer Reading Program, including 12 adults for the Adult Reading Challenge. We had six sign up in the high school challenge – last year we had no high school students. This year the program is once again virtual, with online story times for the preschoolers in the morning, and virtual programming from both the Science Spectrum and Andy Mason Music on Tuesday afternoons. The main focus of the program is, of course, reading. Although the preschoolers will count the number of books read to them, the independent readers from K-Adult will track the number of minutes they read each day. Each age group is challenged to read a certain number of minutes as a minimum – Early Readers (K-3) read 15 minute a day; Middle Readers (3-6) read 30 minute a day; Middle School Readers (6-8) read 45 minutes a day; High School Readers (9-12) read 60 minutes a day; and the adults are challenged to read 90 minutes a day. Tracking is via paper log or via ReaderZone, which is a reading app. About half of the participants are using ReaderZone. We hope, of course, that next year we will go back to full face-to-face programming.

The Library Board was again scheduled to meet on June 13th but was again postponed due to lack of quorum.

Our numbers are steadily climbing again, a trend we hope continues. One notable increase is in the number of streaming audiobooks checked out through OverDrive, probably due to summer vacations and trips. For the first time that number broke 100 downloads.
