Unger Library Report January 2022 Data

LIBRARY HOURS

MTWF: 9:00 AM-6:00 PM | TH: 9:00 AM-8:00 PM | SAT: 9:00 AM – 5:00 PM

The Library began opening from 9:00 AM – 5:00 PM again on Saturday, January 5, 2022. Half days were instituted in the fall when there was a staffing shortage. Full days will continue until the summer when half days begin again.

January held some surprises in the area of statistics, when it was found that there had been 5,319 searches done on our databases, mainly with the EBSCOhost databases, which do comprise the vast majority of TexShare databases. Logically there was also an increase in actual resource uses, including books as well as the expected journal articles. There is no explanation for such a dramatic increase, so we look forward to seeing what February holds.

A date for the Friends of the Library annual meeting was decided upon and it will be on February 25, 2022.

Preparations for the Summer Reading Program 2022 are underway. There has already been one program booked, another in the works, and several in the planning stages. There will be multi-generational programming as well as programming for specific age groups.
