In July, the landfill crew worked on wind-blown paper pickup, cutting tires, and our bi-annual groundwater sampling. Staff monitor groundwater wells around the landfill to detect traces of material that might leak from the landfill into our groundwater. We do this twice a year.

Trash routes ran as normal. The new recycle truck was delivered and we will be putting it into service within the next couple of weeks. Be sure and keep an eye out for the "New Blue Truck" as it services blue recycle dumpsters around town.

The Recycle Center shipped a load of cardboard and is nearing the completion of another load of cardboard and shred paper. We continue to see consistency with our production in recycling.

### LIBRARY SUMMER HOURS

MTWF: 9:00 AM-6:00 PM | TH: 9:00 AM-8:00 PM | SAT: 10:00 AM – 2:00 PM

The Summer Reading Program officially ended on July 15, 2022, but an Awards Night was held on Friday evening, July 29, 2022 at 6:00 PM. Although not everyone was there, it was a good turnout. All participants received a certificate, allowed to pick out a small stuffed ocean animal, and got a final brag tag with the "Oceans of Possibilities" theme. Readers who reached milestones, like 25%, 50%, 75%, and 100% of their reading goal received further brag tags. A large number did reach the 100% goal. One reader also won an additional three brag tags for Bluebonnet List books she read. The last prize awarded was to Sophia Moore who was our grand prize winner, reading over 12,000 minutes during the Summer Reading Program. She received Sod Poodle tickets, a certificate, and a large stuff "seal" as her prizes. The donation of the Sod Poodle tickets were by Eastern New Mexico State University.

We want to thank all of those City employees who are helping us out this summer during the Wednesday morning story times. In July our readers were Chief Derrick Watson and Captain Bill Bridgewater, both with the Police Department.
