November was a busy month, beyond normal pickups, crews replaced and/or repaired 36 dumpsters. The recycle center partnered with a new business that is moving into the old Hamby location on North Business I-27 to recycle old records that had been stored in the facility. Crews found work orders for equipment dating back to the 1960s. There was enough material that was shredded and baled to fill a semi-truck load. That load will be going to the paper mill on December 2.

With all the construction and demolition going on in Plainview, it was nice to see part of the new growth go through our recycle center. Ray and Don have been doing an amazing job keeping the center running and clean. If you haven't been by to see the progressive changes, stop by. Ray will talk your ear off. As the year comes to a close and you have out-of-date records to shred, bring them by the recycle center and they will be shredded right in front of you. Also, don't forget about the recycle center when you clean up all those Christmas boxes on December 26th.

MAIN STREET REPORT – NOVEMBER 2022 DATA

Texas Downtown Conference

Staff attended the Texas Downtown Conference in San Marcos November 1st - 4th. The conference showcases learning sessions on downtown projects, historic preservation, strategic planning and place making. The President's Award Gala, held in conjunction with the conference, recognizes outstanding projects, places and people of Texas Downtowns. Downtown Plainview was a finalist in two categories – Best public improvement for the downtown streetscape project and Best Traditional Event for the Downtown Ribbon Cutting and Streetscape Celebration. While Downtown Plainview didn't take home any awards, we are still proud to have been recognized for all of the great things happening downtown! Several board members were also in attendance for the gala including Vice President Carol Terrell, Secretary Phyllis Wall, Member Macrina Greve and ex-officio Tonya Keesee.

November 7th – Holiday Event Prep

Downtown Board members volunteered to put together items for the Downtown Holiday Experience event on November 11th. Board members present were Phyllis Wall, Carol Terrell and Diane Martinez.

November 11th & 12th – Downtown Holiday Experience and Open House

Friday was the Downtown Holiday Experience around the courthouse. The event consisted of a tree lighting ceremony, window display winners announced, craft tables for kids, food trucks, school choir performances, carriage and train rides and a special visit from Santa.

Saturday was the Downtown Christmas Open House and 2nd Saturday. Downtown Businesses opened their doors to customers to shop their new holiday collections and sales. Hello Baby hosted 2nd Saturday with a special photo booth with Santa.

MAIN STREET REPORT – NOVEMBER 2022 DATA

Holiday Lighting – Thank you!

A big thank you goes to the downtown volunteers City of Plainview Streets and Parks Departments, Plainview High School and Kress High School for installing, building and fixing all of the lighting features downtown. This year's decorations have been the back drop to many family holiday photos throughout the season and it could not have been done without everyone's help.

UNGER LIBRARY REPORT – NOVEMBER 2022 DATA

LIBRARY HOURS

MTWF: 9:00 AM-6:00 PM | TH: 9:00 AM-8:00 PM | SAT: 9:00 AM – 5:00 PM

The Chief Librarian was out most of the last half of November due to surgery and recovery. However, the staff has kept up with what needs doing on a day-to-day basis. Kudos to their great teamwork.

The Library was approved to migrate to a new library system and the one chosen was the Book Systems Atrium. Because of time the Chief Librarian will continue to be out and because of the holidays the migration work will begin after the first of the new year, although a lot of thought is already going into the behind-the-scenes changes that will occur, including purging of old patron and item category records.
