**New Green Boxes**

The green boxes are for yard waste. Staff is trying a plastic box rather than a metal box. When yard waste is wet, it will cause the metal boxes to rust out more quickly. Staff hopes the boxes will last longer and be more cost-effective in the future.

## LIBRARY HOURS

MTWF: 9:00 AM-6:00 PM | TH: 9:00 AM-8:00 PM | SAT: 9:00 AM – 5:00 PM

We continue to work on the forms for the new system. As stated last month, these forms will list our item types, location codes, and patron types. Then there will be the more tedious task of mapping the patrons to the types. We are adding several new categories to the patrons, which will help as we track demographics and other statistics.

We have scheduled an author event for May 14, 2023. More details will be revealed at a later date.

Story Time continues to draw large numbers of preschoolers and their parents or guardians.

You will see a major decrease in the Total number of materials / e-resources because we have removed the EBSCO E-Books. That database is going away and we decided not to add them to our new system. There may be another decrease next month as we are determining whether to transfer the OverDrive records. The new system will be able to search OverDrive directly so the records will not be necessary.
